

Milton Township

Parks & Recreation Committee

8/7/2025 @ 10:30 am

Committee Members Present: Gray, Meyer, Atkinson, Kopkau

Excused: Shaw, Kingon

Also present: Weinzapfel

- Meeting called to order @ 10:30 am
- Approval of agenda, Meyer/Kopkau
- Approval of minutes dated 4/3/25, Meyer/Gray

Discussions:

- DNR Waring Road Boat Launch improvements, scheduled for May/June 2026, to include replacing concrete pads expanding to 18' width, expand the ramp with a concrete run, removal of some trees to expand gravel parking. Letters to be sent to contractors stating boat lifts need to be removed from the boat launch when hauled out as normal protocol.
- Various Road Ends reviewed after site visits. Repairs/improvements identified. Further discussions pending at next meeting.
- Maplehurst
 - Gray reported on tree seedlings
 - Letter received from resident sighting trees down over trails and general cleanup of over grown grass around benches and trash left. Committee members requested location of down trees and will follow up with Fields @ GTRLC. Committee members frequent Maplehurst and did not know location of concerns. Continued agreement that no trash receptacles are warranted; if you carry it in, you carry it out. Most visitors respect this mindset, but will always be some that don't. Committee revisited doggy bags. Responsible dog owners bring their own bags and discard at home. If the township provides, you will have various deposits of it left in the bags on the property.
 - Gray suggested a sign to remind visitors to cleanup after yourself. Atkinson to order 2 with that message.
 - Drive needs grading. Weinzapfel to contact Steuer.
 - Camp Maplehurst Alumni Reunion requested for Saturday, August 23, 2025 11am – 3pm
- Skate Park vandalism discussed. Riegler is working to correct/repair.
- Banner Policy reviewed.

Next meeting: November 6, 2025 @ 10:30am

Meeting Adjourned @ 11:45 am
