STR Fees/Fee Schedule: Kopriva said there is currently a fee of \$200 to get a license. Other communities are around \$200-\$500. Looking at the township, with the cost of zoning operations

and monitoring company, zoning administrator, and attorney fees, the township can justify raising license fee to \$500. Will be reassessed when an enforcement officer is hired.

Public Comment – same guidelines as above apply.

A citizen talked about having a code enforcement officer. It's a valuable position.

D. Meyers thanked the board for the Shoreline Protection Ordinance and getting that passed.

Suggested reviewing material Torch Conservation Center has regarding root systems. Also reminded the board that at the public hearing, lake associations attended and asked how the board will communicate the ordinance and implement. All associations said they will communicate with their members. Encourages board to get information to lake associations and maybe contractors to inform them of changes and requirements. Also encourages enforcement officer.

Board Comment: Veliquette said he's glad we did the Shoreline Protection Ordinance, but he's concerned about the grass restriction.

Special Board Meeting Minutes
October 20, 2025

Members present: C. Weinzapfel, J. Beebe, L. Atkinson, J. Renis, and B. Veliquette

Also, present: M. Vermetten, S. Kopriva, J. Petersen, and 19 audience members

Weinzapfel called the meeting to order at 2:00 pm and the Pledge was recited.

STR Ordinance Update:

S. Kopriva explained the changes that were made after the last special board meeting and the public hearing. Board discussed changes and reviewed ordinance. More changes were suggested, including cleaning up some language and combining some points. Enforcement was made into its own section, as was Violations. Enforcement officer's role were brought up and discussed. Seeking legal guidance as to what they are allowed to do. Attorney explained that simply eliminating STRs can make township vulnerable to lawsuits. Suggested money spent on enforcement may be a better option, at this time, instead of spending it on legal fees. Discussion on village STRs having different guidelines than residential STRs, with the explanation being that village encompasses a mixture of uses, including commercial.

Public Comment:

D. Watkins brought up points that STRs were a commercial activity that has been ruled against by the Michigan Supreme Court. Asked if homesteading can be used as a guideline for allowing STRs.

G. Bokerman stated that the village allowed more rental use than residential and that it was causing more congestion and less community and less desirability in the village neighborhoods.

D. Fitzpatrick felt that the ordinance should be simplified. Also stated that licenses should be eliminated over time.

B. Sullivan suggested that having only one year of no rentals with a revocation of the license was not enough time.

Closed Session: Attorney explained that closed session was not appropriate at this time because there is no pending litigation. Beebe asked about legal communication made to board and Vermetten said legal counsel should be responding. No motion needed to have that happen.

Public Comment: No comments.

Meeting adjourned by order of the chair at 3.23 pm.

These minutes are subject to approval at the November 17, 2025 meeting. A copy of these minutes are available at MiltonTownshipMI.gov.

Special Board Meeting Minutes
November 6, 2025

Members present: C. Weinzapfel, L. Atkinson, J. Beebe, J. Renis, B. Veliquette

Also present: Municipal Financial Consultant W. Creamer, Fire Department
Representatives: D. Butler, K. Ball, and T. Way, and Public Finance Attorneys A. Livingway
and E. McLaughlin.

Meeting called to order at 11:00 am and Pledge was recited.

W. Creamer presented bond options for funding capital improvements to Fire Station One, which was built in 1982. Fire Chief J. Ball submitted a Fire Report outlining a 10-year projection of Fire Apparatus Replacement, along with projected revenue through the current 1.00 mill special assessment. Apparatuses are getting bigger, as more capacity is necessary due to the increase in home size in the area. These apparatuses need more space to be stored (hence the necessity of renovations). The options are a millage increase, currently the Township has a 1 mill special assessment, which has been in place since 1978, or a bond proposal, which could only be used for the building renovation. Millage increase vs. bond request discussed, both requiring the board to initiate a referendum. W. Creamer will create a Millage Impact Report for the Board. A. Livingway and E. McLaughlin to review Public Act 33 of 1951 and Act 228 of 2022.

Public Comment: K. Ball explained that the Fire Report truck schedule provided by J. Ball was not a "wish list" but rather requirements and specifications for the length of time a vehicle can be used for service.

Meeting adjourned by order of the chair at 11:45 am.

These minutes are subject to approval at the November 17, 2025 meeting. A copy of these minutes are available at MiltonTownshipMI.gov.

I agree the statements made above are true, and if found not to be true this application and any approval will be void. Further, I agree to comply with the conditions and regulation provided with this parent parcel division. Further, I agree to give permission for official of the municipality, county and the State of Michigan to enter the property where this parcel division is proposed for purposes of inspections. Finally, I understand this is only a parcel division which conveys only certain rights under the applicable local land division ordinance and the State Land Division Act (formerly the subdivision control act P.A. 288 of 1967, as amended (Particularly by P.A. 591 of 1996 and P.A. 87 of 1997), MCL 560.101 et seq.) and does not include any representation or conveyance of rights in any other stature, building code, zoning ordinance, deed restriction, or other property rights.

Finally, even if this division is approved, I understand local ordinance and state Acts change from time to time, and if changed, the divisions made here must comply with the new requirements (apply for division approval again) unless deeds representing the approved divisions are recorded with the Register of Deeds or the division is built upon before the changes to laws are made.

Milton Township
Planning Commission
Regular Meeting Minutes

November 5, 2025

7023 Cherry Ave., Kewadin, MI 49648

1. Call to Order: Chairman Hefferan, Renis, Standerfer, Ford, Warner, and Merillat.

Members absent: Peters, excused.

Also present: Jenn Cram from Beckett & Raeder and three audience members.

Hefferan called the meeting to order at 7:00pm.

2. Public Comment:

Tony Martina: Regarding the September public hearing, he asked what the standard for scheduling a hearing is? It was a waste of time. There has been a pattern of incorrect information from the zoning department. Martina asked that Kopriva address this.

3. Approval of Agenda: **Motion to approve the agenda by Ford. Seconded by Renis. Motion carried.**

4. Approval of Minutes: Special Meeting September 17, 2025. **Motion to approve the minutes as presented by Renis. Seconded by Warner. Motion carried.**

5. Correspondence: None received.

6. Old Business:

A) Public Hearing ZO 2025 02 paid Taxes Prior to Permits Amendment.

Hefferan reviewed the process for a public hearing and he gave the history on this amendment. It is that if property taxes are unpaid, they must be up to date prior to the township taking action on a request. Ford asked if he had a bill, but it was not due until February, can he go ahead? Hefferan said that's correct if it is current and up to date and not in arrears.

Conflict of interest: None.

Advertised: October 16, 2025 in the Elk Rapids News.

No applicant as this was brought by the township board.

Cram said this is straightforward. The treasurer has reviewed the language.

Questions from the public: None.

Correspondence: None.

Those speaking in favor or opposition: None.

Public hearing closed. Deliberations began.

Merillat asked about a sentence that seemed to be missing a word. Jenn will make this correction.

Renis said this has gone through Liz to clarify what taxes we are talking about. The language was seen and approved by the township board a few months ago

Motion to recommend approval of Z0-2025-02 by Renis. Seconded by Ford. No discussion.

Roll call vote: Merillat: Yes | Warner: Yes | Ford: Yes | Hefferan: Yes | Standerfer: Yes | Renis: Yes

Motion carried.

7. New Business:

A) Definition Amendment, Section.

The township board updated the rental ordinance. In the review of the zoning ordinance, there are some updates to the zoning ordinance that are needed. The Zoning Ordinance does not currently contain a definition of vacation rentals, and it does not reference the licensing ordinance. Adding these to the ordinance is a best practice to ensure that the proper ordinances get referenced and that the definitions stay the same. Sections 117.317 should be amended as well as Section 117.222. Hefferan asked for clarifications regarding what was changed. Cram said she can bring back a red lined copy and she discussed the changes verbally. There are some misnumbers and confusion. Ford asked regarding the word "signs". Cram said this is included in the original. Merillat said he does not have a copy of the new vacation rental ordinance. Cram said this was not included in the packet but it can be included later. There was no motion to schedule the public hearing. This will be on the agenda for next month.

8. Reports:

A) Zoning Administration Office Report: Jackie printed the report for your review. They are continuing to work with Dowker to have a complete application for SUP.

B) Township Board Report: Renis said the vacation rental ordinance was amended. We are going to do a trial year and see if we will continue with vacation rentals or not.

C) ZBA Report: Hefferan: No meeting.

D) Planning Commission Updates: Hefferan said in January, we will need a new chairperson. He can no longer be the commission chair in the new year.

9. Future Meeting Considerations: December 3, 2025. There will be a rezoning request in December.

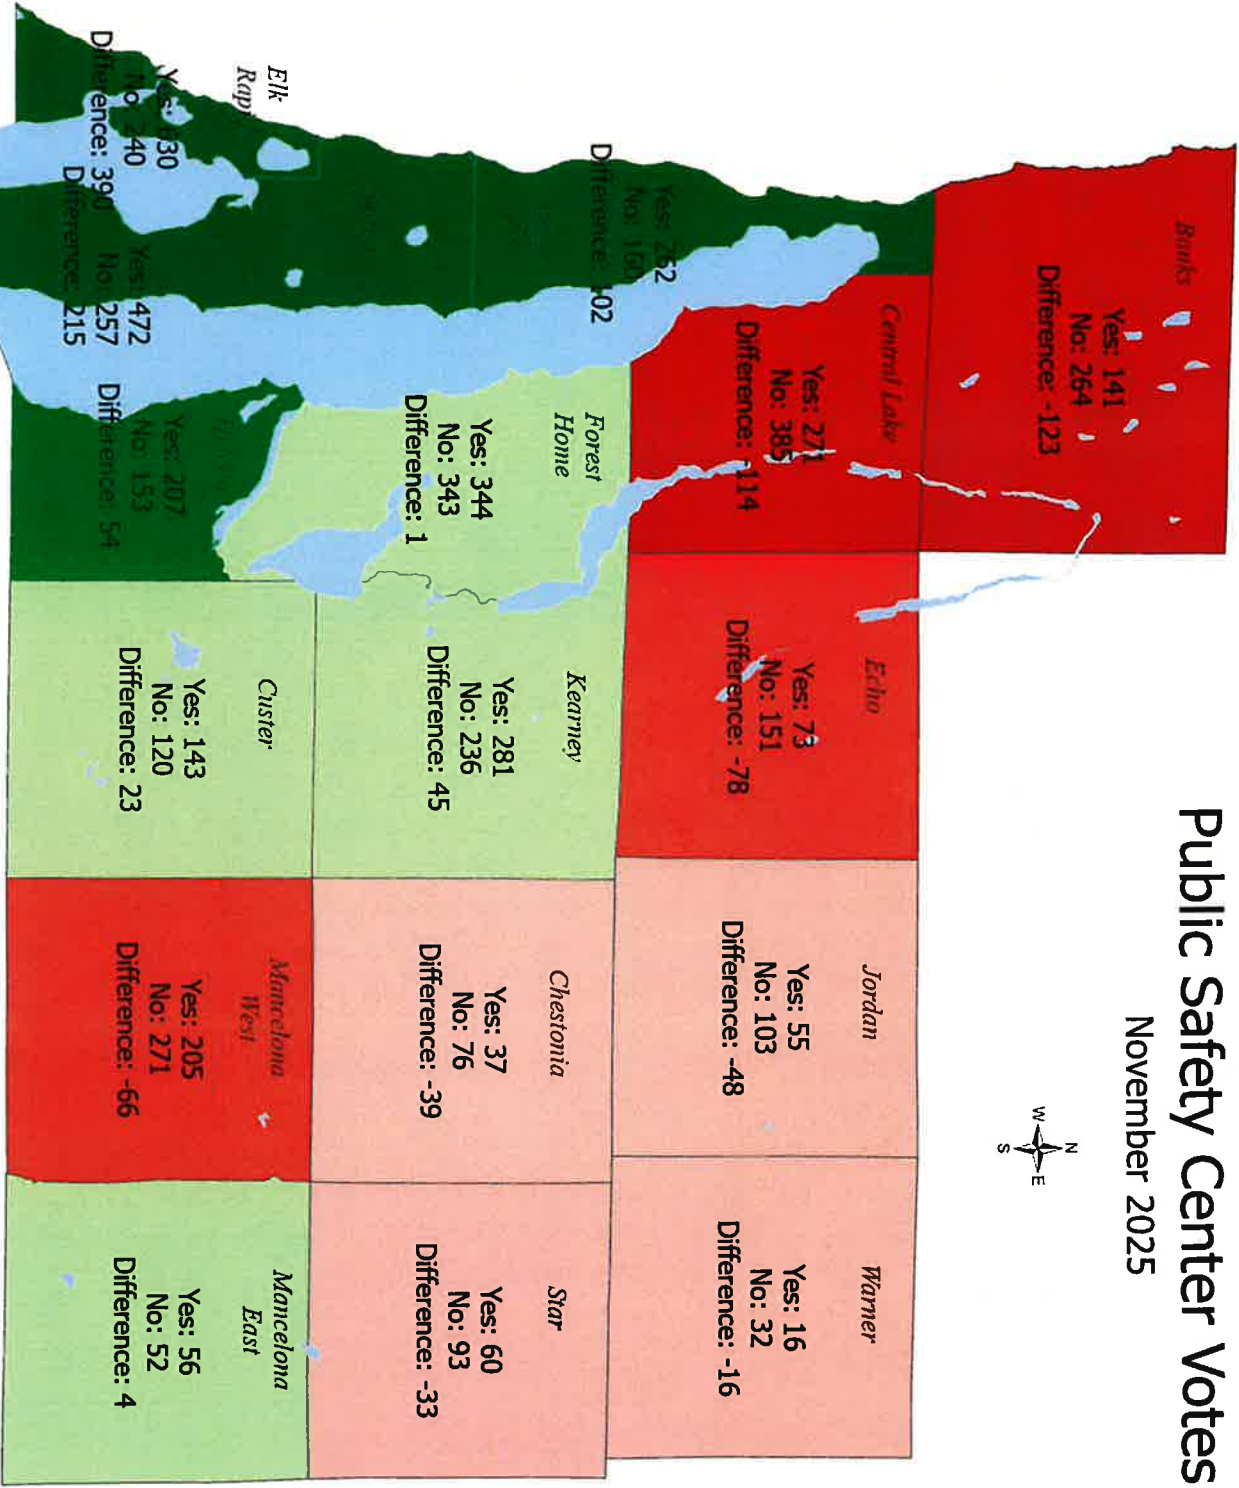

10. Adjourn: Meeting adjourned by order of the chair at 7:20 pm.

Respectfully submitted,

Joseph Merillat

FORMER CLIENT OF YOUNG, GRAHAM, AND WENDLING?

LOCATED IN NORTHERN MICHIGAN LOOKING FOR LEGAL SERVICES?

As of February 1, 2025, the municipal practice of Young, Graham, and Wendling, P.C. in Bellaire, MI is closing its doors. Bryan Graham and Peter Wendling want to express their sincerest gratitude to the many municipal clients they have served over the years. As part of this process, Bryan Graham and Peter Wendling have agreed to transfer their municipal practice to our law firm, Bauckham Thall.

We recognize that a transition in legal counsel can present challenges. To aid the transition, two attorneys in our office will be leading the transition team and are ready and available to consult with you: Catherine P. Kaufman (<https://www.michigantownshiplaw.com/catherine-p-kaufman/>) is the managing partner of the firm and owns property near Harbor Springs where she hopes to relocate soon. Catherine has worked in municipal law for over twenty years, and in addition to being an attorney, is also an AICP certified planner who frequently lectures on planning and zoning matters. Michael W. Bila (<https://www.michigantownshiplaw.com/michael-w-bila/>) is the second attorney on the transition team. He is a native of Harbor Springs and is looking forward to expanding his practice close to his hometown. Michael is the firm's main contact for election law, the Freedom of Information Act, and also writes briefs to the Michigan Courts of Appeals and Michigan Supreme Court on emergent municipal law issues.

Catherine and Michael can be reached on the firm's office line: 269-382-4500, or by email at kaufman@michigantownshiplaw.com and bila@michigantownshiplaw.com, respectively. We highly encourage you to reach out to us with any questions on the transition or with any legal matters that may arise.

Our firm is accepting new clients!

Our specialty is representing municipal governments. Our firm assisted in founding the Michigan Townships Association (MTA) in 1953, and we have served as their general legal counsel ever since. We also serve as general legal counsel to over 200 individual townships, cities, villages, sewer and water authorities, emergency service departments, and other municipal authorities. Our clients are located all across the State, from the Detroit area to Kalamazoo to the far edges of the Upper Peninsula.

If you would like to learn more about our practice, please reach out to Attorney Michael Bila (<https://www.michigantownshiplaw.com/michael-w-bila/>) or Attorney Catherine Kaufman (<https://www.michigantownshiplaw.com/catherine-p-kaufman/>) for more information.

In addition, members of our firm frequently lecture on municipal issues at MTA district meetings and at the annual MTA educational conference.
